

Investing for Success

Under this agreement for 2020
Rosella Park School will receive

\$56,064*

This funding will be used to

- Increase student engagement with the Australian Curriculum by improving staff capacity in developing individualised and differentiated learning experiences.
- Increase communication and literacy outcomes for each student based on data provided in each student's Individual Curriculum Plan as well as diagnostic data collected.
- Improve teachers' capability through intentional collaboration to promote skills in literacy, alternative communication and student case management.

Our initiatives include

- Releasing staff to access school-based and external coaching, mentoring and professional learning experiences to develop expert knowledge around planning and implementing learning experiences for students with severe intellectual disabilities.
- Releasing staff to participate in cluster moderation practices.
- Increase teachers' repertoire of skills to implement effective literacy programs in their classrooms.
- Train staff in the use of the Roadmap of Communicative Competence diagnostic tool and develop Individualised Student Plans outlining a communication goal, strategies and resources.
- Provide teachers with time to undertake intentional collaboration to increase capabilities in literacy, alternative communication and data driven student case management.
